Crenshaw High

5010 11th Ave. Los Angeles Ca 90052

Inner-City Classic has been held at Crenshaw High for the last six years. The Classic has provided over 600 senior student athletes an opportunity to play one last football game before their high school career is over. The players have a chance to meet with former high school student athletes and other seniors from throughout Los Angeles County giving them opportunities to develop long lasting relationships with others who have had same dreams and aspirations to be successful student athletes.

The Classic will be held this spring on May 21st 2016 at Crenshaw High at 1pm. We encourage all former student athletes to come out and support the senior class of 2016. Thank you for support Los Angeles City High School Athletics.
