Louis,

There will be no changes in the collection distribution from what already exists. Marty will be handling more of the "outside" collections. I will be happy to discuss Marty's roll in the collections Tuesday. I have added a full time Physical Med. Doctor who I hope will start on December 1st. I have discussed the needs to her in perform single fiber exams, and I have discussed with Beverly that we need a requisition in which the doctors "cheque" off the need for single fiber exams. Again, let's discuss this on Tuesday (Monday I have to see several doctors in the AM and will be late to the office).

Doctor Hoffman,

I noticed that you had a meeting yesterday with Marty from ARK Collections. I was wondering if there is anything I needed to be aware of either to help or to prepare myself for any changes in the current collection distribution and procedure.
